

## Accessing Parent Portal

1. As a parent/guardian of a household, you will need to have at least one child's Student ID and date of birth (the student ID can be found in the upper right hand corner of the student's schedule).

2. Log in URL site: <https://campus.jeffcityschools.org/cparent>

3. Once logged in, you will be prompted for the student number and the student's Date of Birth.
4. At this point, a 36 character GUID Activation Key will be assigned to you. You will need to SAVE this. Once you have done so, click on the link to access the Parent Portal Log In Screen.
5. Click at the link "If you have been assigned a Campus Portal Activation Key". Once you are navigated to the next page, you will need to type in your GUID number. If correctly entered, you will be prompted to set up a username and password of your choice.
